

Harlan Holmes 4:00 Pace Leader

I'll be your pacer, DJ, hype man, drill sergeant, motivational speaker, and tour guide for those seeking to break four and two hours at the bg26.2 and half marathon respectively. On the road or off the road, your experience with me will be a BLAST!

The inaugural bg26.2 was my first marathon and I've run it every year since. I've trained along this course nearly every weekend since 2012. I'll make sure we all are aware of every hill and hazard well before we reach it. Let's run these streets!
